

**11th Annual
Burlington Township Cleanup Day
April 24, 2010
From 10 AM – Noon**

The Burlington Township Environmental Commission is looking for “Block Captains” for our 11th Annual Burlington Township Cleanup Day. Once again, we will organize on the neighborhood level all over town and help clean up the trash, paper, recyclables, and other debris that has accumulated in our neighborhoods. We are also looking for civic groups, church groups, other organizations, and businesses to volunteer to cleanup large areas (for example, Green Acres Park, the Sylvan Lake area, along Routes 130 and 541, etc.). This event has been a great success and gets larger and better each year. Sign up today and join the fun while you help beautify our little corner of the world.

As a block captain, your duties will be:

- 1). Distribute leaflets in your neighborhood asking for volunteers (we will provide leaflets for you).
- 2). “Sign up” the volunteers who respond (name and number of people in family participating should be enough) so we know how many T-Shirts and other supplies to bring to your central location.
- 3). Distribute bags, gloves, and T-Shirts to participants on day of event.

**T-Shirts for First 500 Volunteers to Sign Up!
Post-Cleanup get together at Green Acres Park
From 12:30-1:30 where we will have hot dogs and sodas
for all participants and drawings for prizes donated by
local merchants and gift certificates.**
