

REMINDER

If your dog's rabies vaccination expires before November 30, 2018, you must have him/her revaccinated in order to get the 2018 license.

or

provide us with a written letter signed and dated from your Veterinarian stating that they will not revaccinate at this time. This letter must be on the Veterinarian's letterhead.

or

Submit the New Jersey Department of Health and Senior Services Certificate of Exemption from Rabies Vaccination Form VPH-28, which must be completed by the Veterinarian and pet owner.
