Re: BURLINGTON TOWNSHIP - Stormwater Management Plan and Ordinance

Dear Ms. Field:

The NJDEP required that your municipality's Stormwater Control Ordinance (SCO) was to be revised and effective by March 3, 2021 to conform with the amended Stormwater Management rules at N.J.A.C. 7:8. Pursuant to N.J.A.C. 7:8-4.4, the adopted SCO was required to be submitted to the county review agency for review and approval, with a copy also submitted to the Department. In accordance with N.J.A.C. 7:8-4.4(c), the county review agency has 60 calendar days of receipt to review and approve, conditionally approve (specifying the necessary amendments to the SCO) or disapprove.

On March 9, 2021, the Burlington County Planning Board **approved** the Burlington Township Stormwater Management Plan and Ordinance.

Feel free to contact me at (856) 642-3800 or dscoleri@co.burlington.nj.us with any questions or comments.

Very truly yours,

BURLINGTON COUNTY PLANNING BOARD
